

Panoply Featured in Southern Living February 09 Issue

Exciting news! Panoply has once again received the honor of being published in Southern Living Magazine.

Christi Estes, of Panoply Interior Design and Consulting, is featured in the February 2009 issue of Southern Living Magazine for her interior design work with a local homeowner's bedroom addition. Christi's use of a soft green and blue palette complemented by botanicals and rich textures earned her and Panoply a spot in the coveted magazine. Panoply was featured in numerous SLM issues during 2008 and is excited to begin the New Year with such an honor.
