

Frances Stone Interiors

Unlike ordinary furniture stores, Frances Stone Interiors, is unique in that the furniture: sofas, tables, lamps, pictures, paintings, floral arrangements and window treatments are displayed in room settings.

Unlike ordinary furniture stores, Frances Stone Interiors, is unique in that the furniture: sofas, tables, lamps, pictures, paintings, floral arrangements and window treatments are displayed in room settings: living rooms, dining rooms, bedrooms, dens, entrance foyers and kitchens. These room settings give you, the customer, many decorating ideas that can be applied to your individual home. We are delighted to assist you at no cost. Also, we install the items you purchase at no additional charge. We offer you 40 years of experience, and we are confident we can make your home the center of your happiest and most desirable dreams.
